Liability Release and Assumption of Risk Agreement

I ACKNOWLEDGE THAT; Risks conditions and dangers are inherent in (meaning an integral part) of horse/equine activities, regardless of all feasible safety measures which can be taken and I agree to assume them. The inherent risks include, but are not limited to any of the following: The propensity of an equine to behave in ways that may result in injury, harm, death, or loss to persons on or around the animal; The unpredictability of an equine's reaction to sounds, sudden movements, unfamiliar objects, persons, or other animals: Hazards including but not limited to, surface or subsurface conditions: A collision, encounter and/or confrontation with another equine, another animal, a person or an object; The potential for an equine activity participant to act in a negligent manner that may contribute to injury, harm, or death, or loss to the participant or to other persons, including, but not limited to, failing to maintain control over an equine, and/or failing to act within the ability of the participant. Horses are 5 to 15 times larger, 20 to 40 times more powerful, and 3 to 4 times faster than a human. If a rider falls from a horse to ground it will generally be from a distance of 3 ½ to 5 ½ feet and the impact may result in harm to the rider.

Timbermist Farm is not responsible for total or partial acts, occurrences or elements of nature and/or sudden movements that can scare a horse, cause it to fall, or react in some other unsafe way. Some examples are; thunder, lightning, rain, wind, wild and domestic animals, insects, reptiles which may walk, run, or fly near, or bite, sting a horse or person. If a horse is frightened or provoked it may divert from its training and according to its natural survival instincts which may include but are not limited to: stopping short, spinning around, changing directions and/or speed at will, shifting its weight, bucking, kicking, rearing, biting, or running from danger. I acknowledge that these are just some of the risks and I agree to assume others not mentioned above. I am not relying on Timbermist Farm to list all possible risks for me.

RELEASE OF LIABILITY

I/WE AGREE THAT: In consideration of working around and/or participating in horse related activities, for myself and on behalf of my child and/or legal ward, heirs, administrators, personal representatives or assigns, do agree to release, hold harmless, and discharge Timbermist Farm, its boarders, agents, employees, owners, directors, representatives, assigns, and insurers and others acting on their behalf (herein Collectively referred to as "Associates") of and for all claims and demands, causes of action and legal liability, whether to same be known or unknown, anticipated or unanticipated, due to Timbermist Farm's and or Associates ordinary negligence or legal liability; and I do further agree that I shall not bring any claims, demands, legal actions and causes of action against Timbermist Farm and its Associates as stated above, in this clause, for any

economic or non-economic losses sustained by me or my minor child or legal ward in relation to the premises and operation of Timbermist Farm to include while riding, driving, training, handling, or otherwise being near horses owned by me or owned by Timbermist Farm or in the care, custody and control of Timbermist Farm whether on or off the premises of Timbermist Farm but not limited to being on Timbermist Farm's premises.

UNDER MISSOURI LAW, AN EQUINE PROFESSIONAL IS NOT LIABLE FOR INJURY OR DEATH OF A PARTICIPANT IN EQUINE ACTIVITIES RESULTING FROM THE INHERENT RISKS OF EQUINE ACTIVITIES PURSUANT TO THE REVISED STATUTES OF MISSOURI.
